

PayPal is free, easy to use and is a secure way to pay. **PayPal** allows you to make payments using your credit or debit card or checking account number.

This example shows how to use **PayPal** for the purchase of a Bioenergy session for either multiple sessions or payment for children.

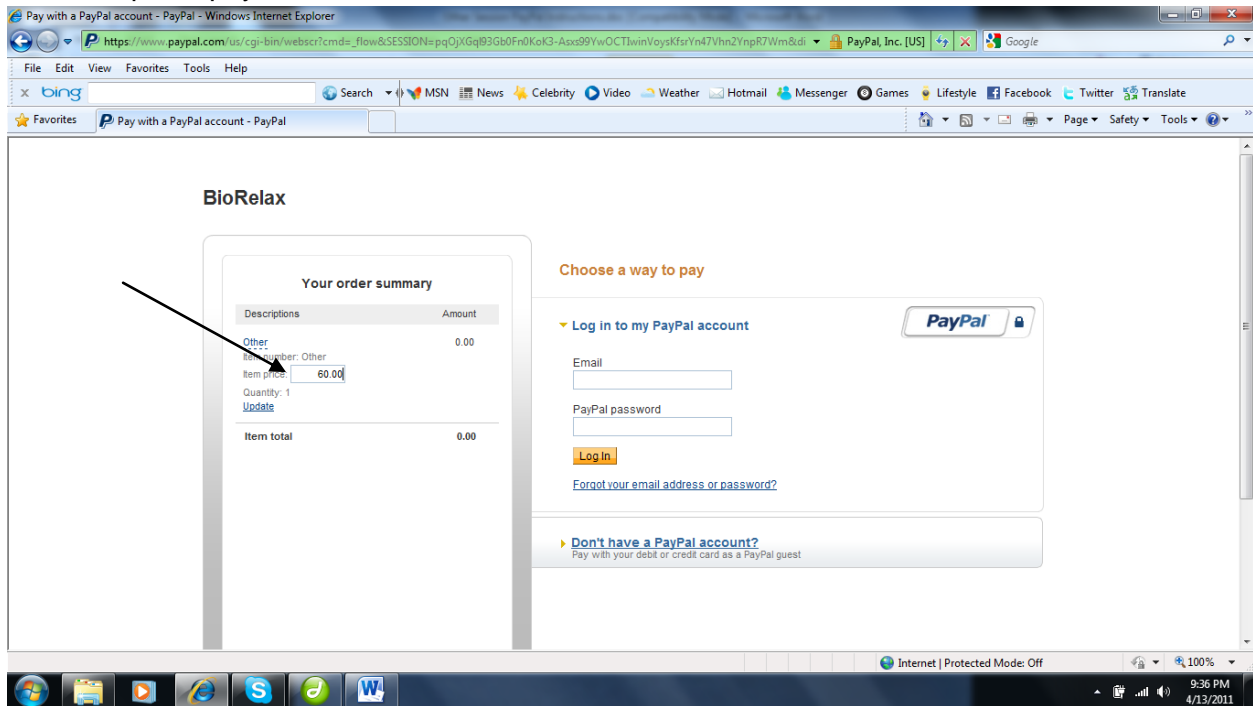

1. Click on Buy Now button for Other Payments on the Appointment page.

2. You will go automatically to **PayPal**.
3. On the left side of the screen you will see your order summary showing that you have selected Other and the amount is blank.

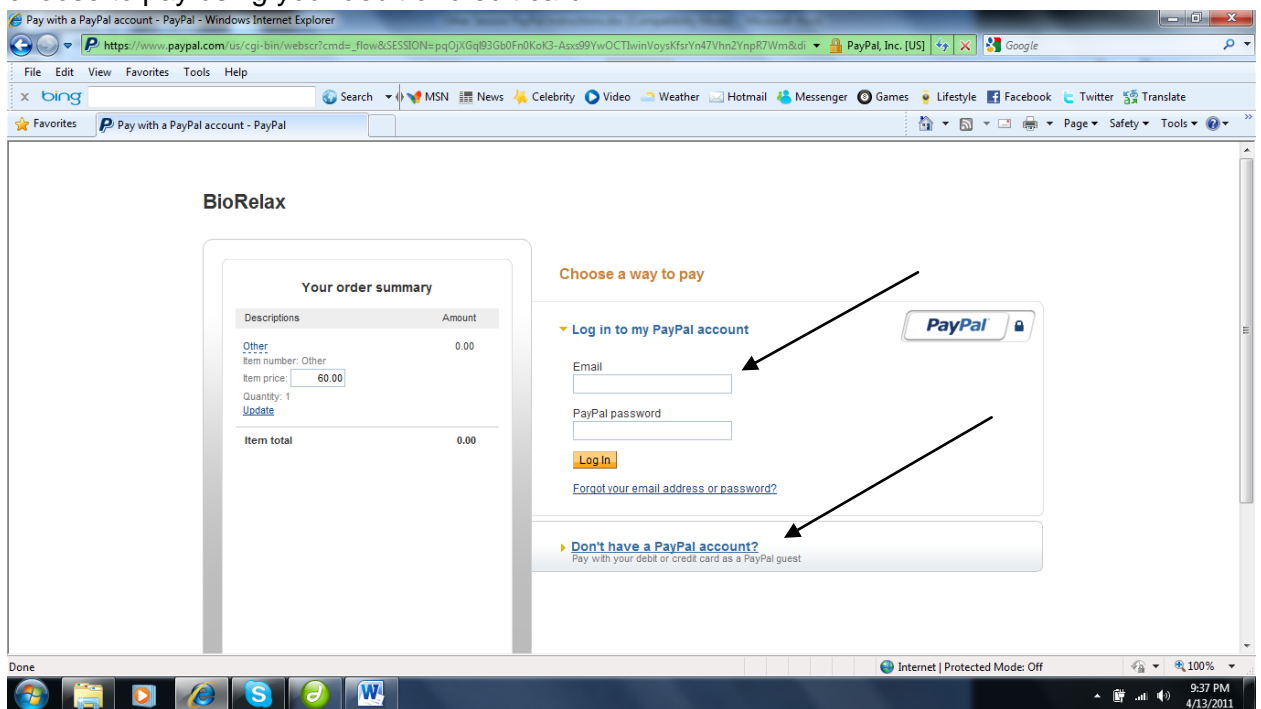

4. For example, if payment for a child, enter \$60.00 in the box

5. On the right side of the screen you will have two options:

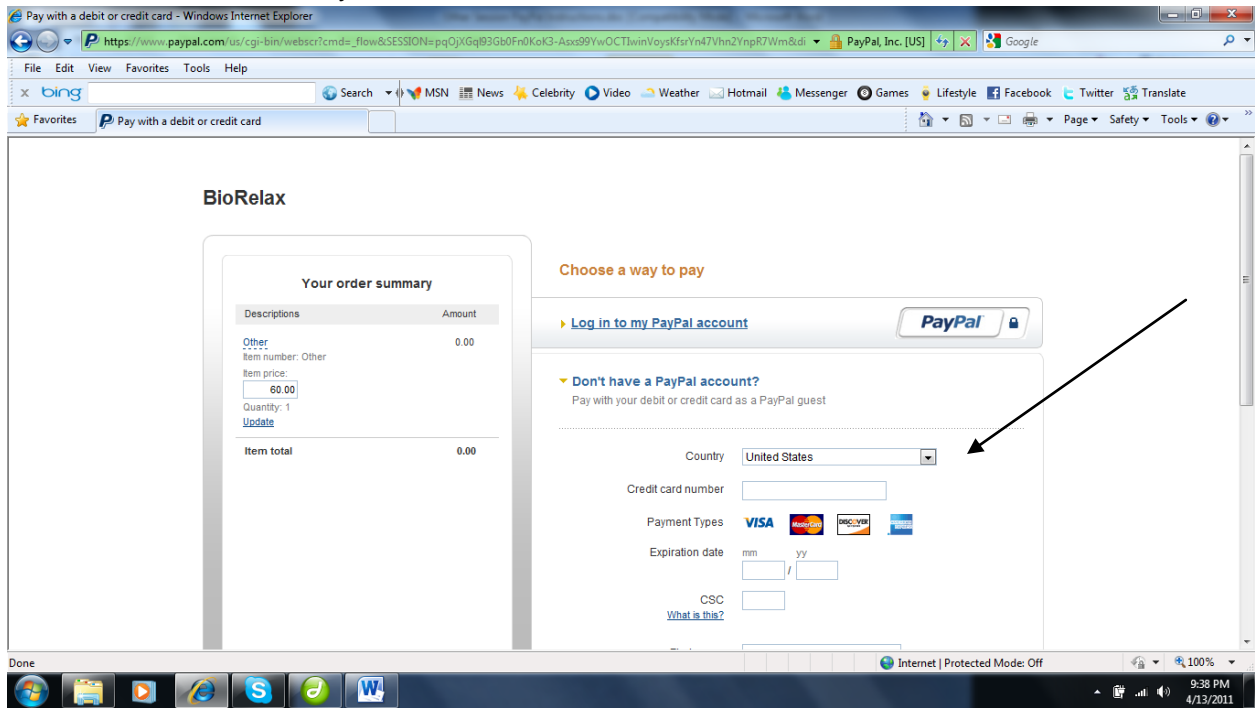

- a. log into your **PayPal** account if you have one
- b. choose to pay using your debit or credit card.

6. If you have a **PayPal** account, log in and select your method of payment.

7. If you do not have a **PayPal** account click on the option that says "Don't have a **PayPal** account?"

8. On the next screen enter your credit card information, name and address.

a. Then click on review and check your information and then click submit. Your payment will be made.
